## Property Description

Lucrum Real Estate Group is pleased to present Villa Coronado, a charming and well-maintained multifamily investment opportunity located at 534 & 542 S. Coronado Street in the Westlake District of Los Angeles. This 14-unit garden-style apartment community consists of two separate buildings situated on individual APNs, offering architectural character, operational flexibility, and long-term investment appeal.

Villa Coronado appeals to a broad investor audience due to its highly attractive value metrics, strong cash-on-cash return, attractive leverage & loan options, RUBS program off-setting water cost, spacious units, and  $\pm 21\%$  rental upside potential.

Set within a quiet, tree-lined residential street, Villa Coronado reflects the classic architectural charm found throughout historic Los Angeles. Mature landscaping, tranquil garden pathways, and Zen-like seating areas create a calm and private living environment that enhances tenant satisfaction and supports long-term occupancy—positioning the property as a differentiated asset in a high-demand rental market.

Constructed in 1922 and 1924, the two wood-frame buildings feature flat roofs and smooth stucco exteriors characteristic of early Los Angeles design. The property offers approximately  $\pm 11,430$  square feet of rentable living area across two parcels totaling  $\pm 12,804$  square feet. Zoned LAR3, the site provides flexibility for a long-term hold strategy with potential future redevelopment considerations.

## UNIT MIX

(2) Studio + One Bath

(10) One-Bedroom + One Bath

(1) Two-Bedroom + One Bath

(1) Two-Bedroom + Den + One Bath

The spacious units blend vintage character with functional modern living. Open floor plans, high ceilings, and abundant natural light highlight original architectural details such as crown molding and hardwood-style flooring. Select units feature individual hot water heaters and in-unit washer/dryer hookups, amenities that enhance tenant retention and support future rental upside. Several units also benefit from dual entry points, a rare feature that adds flexibility and appeal.

Gated parking is accessed from Ocean View Avenue and includes four surface spaces and four enclosed garages, providing practical parking and storage solutions in a dense urban setting.

Villa Coronado has been maintained to ownership standards and has undergone recent improvements, while still offering meaningful value-add potential through targeted interior and exterior enhancements. Strong in-place income, RUBS implementation, and consistent rental demand in the Westlake submarket position the property for both immediate cash flow stability and long-term appreciation.

## Location Description

The Westlake District, located just west of Downtown Los Angeles, has become a growing focal point for redevelopment and investor activity. With over 1,000 apartment units currently under construction, the neighborhood continues to attract capital due to its proximity to Downtown, Koreatown, and Hollywood.

Westlake's rich cultural fabric reflects a vibrant Hispanic and Central American influence, visible through local markets, restaurants, and community events. Over the past year, Westlake rental rates have outperformed many Los Angeles submarkets, with average asking rents of approximately \$1,560 per month—30% to 35% below the citywide average—making it one of the most affordable yet rapidly appreciating urban neighborhoods in the city.

The area features a diverse mix of historic, mid-century, and modern residential architecture. MacArthur Park anchors the neighborhood, offering green space, public programming, and live performances at the Levitt Pavilion. Alvarado Street and Wilshire Boulevard serve as key commercial corridors, while robust transit options—including Metro rail and bus lines—provide excellent connectivity throughout the region.

## 3020 Wilshire Boulevard Mixed-Use Project

An eight-story mixed-use project at 3020 Wilshire Blvd in Koreatown is currently under construction. The development includes 262 residential units (studios, 1-bedrooms, and 2-bedrooms), 10,000 sq. ft. of ground-floor commercial space, and 359 parking spaces. As of September 2025, the building has topped out, confirming it is still underway and moving toward completion in the near future.

# Demographics

## Westlake, Los Angeles, CA

Westlake is a dense, centrally located neighborhood just west of Downtown Los Angeles, known for its historic architecture, strong transit access, and ongoing revitalization. The area centers around MacArthur Park, a major community landmark, and offers a blend of early 20th-century buildings, mixed-use corridors, and new residential developments driven by the demand for urban housing. With close proximity to Downtown, Koreatown, and major employment centers, Westlake continues to attract residents seeking convenience, cultural diversity, and accessibility within a rapidly evolving urban environment.

- + Home to some of LA's earliest high-density apartment buildings and historic cultural landmarks.
- + One of LA's most iconic public parks, originally built in the late 1800s and still a defining neighborhood feature.
- + Increasing redevelopment, infill projects, and housing investments driven by demand for central urban living.

## Overview

# Los Angeles, California

The Los Angeles Metro Rail is an urban rail transportation system serving Los Angeles County, California. It consists of six lines, including two subway lines and four light rail lines serving 93 stations. It connects with the Metro Busway bus rapid transit system and also with the Metrolink commuter rail system.

The City of Los Angeles holds many distinctions. L.A. is the entertainment capital of the world, a cultural mecca boasting more than 100 museums, and a paradise of idyllic weather. From tourist attractions like the Walk of Fame's collection of stars (numbering more than 2,614 and growing by one or two a month) to career opportunities like those presented in the expanding tech industry, Los Angeles is the place to be. It is the only city in North America to have hosted the Summer Olympics twice. Downtown L.A. is the largest government center outside of Washington, D. C. Los Angeles has the only remaining wooden lighthouse in the state (located in San Pedro's Point Fermin Park) and the largest historical theater district on the National Register of Historic Places (located Downtown on Broadway).

Los Angeles is on the leading edge of several growth industries. LA County, with more than 87,000 jobs in the fashion industry, has surpassed New York's fashion district workforce. The LA Five-County area also has more than 700,000 people at work in health services / biomedical activities and 190,000 people in aerospace and technology.
